

Certificate of Qualified Person – John Edwards

I, John Edwards, am employed as the Chief Metallurgist with METC Engineering with an office address at 12 Autumn Road, Rivonia, Johannesburg, South Africa 2191.

I am an author of this amended and restated technical report entitled “El Moto Tungsten Project, Definitive Feasibility Study, NI 43-101 Technical Report 0376-00-00-REP-0001” (the “Technical Report”) for the Definitive Feasibility Study, prepared for Abenójar Tungsten (the “Issuer”) revised and amended as of October 9, 2024 for the El Moto Tungsten Project (the “El Moto Project”) located in Spain and with an effective date (the “Effective Date”) of October 30, 2024, and do hereby certify that:

1. I am a Fellow of the South African Institute of Mining and Metallurgy, registration number 701196.
2. I am a Professional Metallurgist having graduated with a BSc Hons in Mineral Processing Technology in 1985 from Camborne School of Mines, UK, and I have worked as a Metallurgist for a total of 37 years since my graduation from university.
3. My experience relates to operations of plant in South Africa along with South Africa, Namibia, Tanzania, and Spain.
4. I have read the definition of “Qualified Person” set out in National Instrument 43-101 – Standards of Disclosure for Mineral Projects (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a “Qualified Person” for the purposes of NI 43-101.
5. I visited the Project site between 22nd to 26th April 2024 with 4 number of days at the deposit site and exploration camp.
6. I am responsible for Sections 13, 17 and 27 of the Technical Report and am responsible for my respective contributions to Sections 1, 2, 18, 21, 22, and 24 to 26 (inclusive).
7. I am independent of the Issuer applying the test set out in Section 1.5 of NI 43-101.
8. I have prior involvement in the Abenójar Tungsten – El Moto Tungsten Project. I have:
 - o co-authored Abenójar El Moto Tungsten Project report titled “El Moto Tungsten Project, NI 43-101 Technical Report, report No. 0376-00-00-REP-0001” with an effective date of 30 June 2024.
9. I have read NI 43-101, and the Technical Report has been prepared in compliance with NI 43-101 and Form 43-101F1.
10. As of the Effective Date, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated this 31st day of October 2024 in Johannesburg, South Africa.

s/” John Edwards”
